Nova Homes of South Florida, a custom homebuilder building in Naples and Marco Island has begun construction on a new custom home at 980 Valley Avenue on Marco Island. The Siesta is a 3 bedroom/2 bath home featuring 1,703 square feet of living space with 2,480 total square feet under roof. The outdoor living area includes a custom-designed swimming pool and spa, and large paved pool deck and lanai. The interior features a gourmet kitchen with large island including seating for five, expansive open great room concept, his and her walk-in closets in master suite, and a host of upgrades.

Nova Homes of South Florida is celebrating its 20th year in Southwest Florida. Frank Arcia, founder of Nova Homes who has built hundreds of homes in South Florida says, "We set very high standards regarding quality and value when designing and building a Nova Home. We are very proud to have been in the Naples and Marco Island market for these two decades. Originally from Cuba, Mr. Arcia started Nova Homes with a plan to build cus-

tomers' "their dream home." Nova Homes builds on Marco Island, Greater Naples, and for homebuyers who desire acreage, Golden Gate Estates, Logan Woods and other similar neighborhoods.

Nova Homes, a build-on-your-lot luxury homebuilder, has fifteen stock home designs to select from ranging in size from 1,318 – 3,312 sq. ft. under air, and has built custom homes up to 6,000 sq. ft. under air. All plans can be customized, they will build from client's plans or design a new home from scratch.

Home prices range from the \$200s to over \$2 million. To contact Nova Homes of South Florida call 239-307-6116 or visit their website, www.novahomesbuilder.com.
